Gluten-Free status of Ardmore Farms Products

Dear Valued Country Pure Foods Customer,

There is a great deal of concern about food allergens, including gluten. We understand how important it is for consumers with gluten sensitivity to have accurate and specific information to help them make informed choices regarding the foods and beverages they consume.

Please be assured that the Ardmore Farms products you purchase from Country Pure Foods are gluten-free. Country Pure Foods is committed to servicing customers by providing quality products.

Sincerely,

Susan Woods
